

2025 JOG-A-THON BUBBLE RUN

Get ready and get excited for the annual Canyon View Elementary Foundation Jog-A-Thon on Friday, March 21st, 2025!

The Jog-A-Thon is the second biggest fundraiser for the CVES Foundation. This is a school-wide fundraiser, but also promotes health and fitness for the students. The money raised by the Jog-A-Thon is used to fund and support school programs, such as, Science, Art, Music, Physical Education, Computer Science and IMPACT, as well as, Technology, the CV Innovation Station Lab, and many other school and classroom needs not met by the current district budget.

If we raise just \$80 for each student during the Jog-A-Thon, we will meet our goals!

HOW THE JOG-A-THON WORKS

- Students to find Sponsors: The 2025 Jog-A-Thon Bubble Run kicks off on **March 7th**. Starting this day until the day of the Jog-A-Thon on **March 21st**, students are encouraged to find sponsors that want to support them by either pledging a flat amount donation or by pledging a per-lap donation.
- Pledges can be made by cash, check or online.
- **Online donations:** We are using the same fundraising platform as last year, **99Pledges**. Each student will have their own pledge page for collecting online pledges.
**More information on the back of this page about your 99Pledges pledge page.*
- Please support your student's endeavors in finding sponsors and collecting their pledges. The more sponsors and pledges collected means more funds to benefit our amazing students and school. *Some great resources for sponsors are family, friends, neighbors and co-workers.*

****While the main goal of the Jog-A-Thon is to raise money for our school, we also want to promote and help the students learn about the benefits of exercise and healthy nutrition****

- **WALK/JOG/RUN:** On **March 21nd**, students will walk/jog/run on the day of the event on our designed tracks for as many laps as they can. A walking track and a jogging/running track will be located next to each other on the Lower Field at CVES. Each grade level will walk/jog/run at separate times. The schedule will be posted online for parents that want to volunteer or just to come cheer on the students. Keep an eye out for more information in the Catching Up with Coyotes.
- **COLLECT PLEDGES:** Students should return their Pledge Card and any cash and check pledges in the provided envelope between **March 10th - 28th**. If the sponsors are donating on 99Pledges, the students do not need to return a pledge card.
- **Our goal is 85\$ per student that participates. But any funds raised is welcome!**

**Checks should be made payable to Canyon View Elementary Foundation.*

*****if we reach our goal of raising \$35,000, there will be a special school-wide prize*****

The Canyon View Foundation is looking forward to another fun and successful Jog-A-Thon. Thank you for the support and help in making CVES a better place to learn and grow!

We are always in need of volunteers! Please contact volunteers@canyonviewfoundation.org for more information.

Time to R.A.C.E.!

Participation in the Jog-A-Thon fundraiser and/or donation is voluntary and not required to participate in any school activity.
