    2. Shelley Silva Retirement Gift and Decorations - \$150 - 12 yes votes, 1 no vote, 2 abstains  
Comments -  
I approve the budget but would rather spend more on her gift (\$100) and less on the decorations (a very temporary thing, seems like \$50 would be more than enough).  
I vote yes on the \$50 gift card. I think \$100 for decorations is too much.  
I'm all for it but the price tag seems high. Can we decorate for less or use whatever supplies we have?  
Decorations are too much. I approve the gift card. Or more for the gift card.
